**Third Sunday in Advent - Joy**

**Central Queens' Mission Statement**

**Central Queens United Church is a loving and living community called to support the life stages of all people; celebrating joy and sharing in pain. Through faith and fellowship, we are united by God's love to live and serve as Disciples of Christ.**

**Lighting of the Candle of Joy**

**Reader 1**

This morning, we light the third candle, the rose candle - the colour of dawn breaking through night, a pause in the heaviness, a gentle lifting of the heart.

Joy comes not as fulfilment, but as an interruption: a sudden glimpse of hope, a crack of light in a worn-out world.

**May this flame remind us that joy does not wait for us to be ready. It comes quietly, in small mercies, guiding us onward.**

*Candle of Joy is Lit*

**Reader 2**

Let this light lead us into the quiet promise of God's nearness.

**Amen.**

**\*Call to Worship**

In this season of deep purple, we gather around a single rose-coloured light - a candle that interrupts the solemn waiting with a whisper of joy.

**We come, weary and hopeful, ready for a breath of grace.**

Not the joy that fixes everything, but the joy that finds us in the middle of things - in unfinished stories, in fragile days, in the places where light slips through.

**We come with open hearts, trusting that even a small flicker can guide our steps.**

Come, let us worship the One whose joy surprises, comforts, and awakens us.

**\*Hymn** People, Look East VU #9

**Prayer of Approach**

**Holy One, you meet us in the middle of our stories, not at the ending where everything is resolved, but in the tender places where we wait and wonder.**

**Open our eyes to the small joys that interrupt our weariness: the warmth of a familiar voice, a memory that steadies us, the courage of Mary's song, the honest questions of John.**

**May your Spirit breathe through this gathering, loosening our burdens, lifting our hearts, and preparing a space within us for joy to take root. Amen.**

## Call to Confession

### Prayer for Transformation and New Life

Let us come before God with the openness Advent invites.

Holy Love, we confess that too often we wait for perfect moments before allowing joy into our lives. We cling to worry, forgetting that joy can arrive even in our uncertainty.

**Interrupt us, O God, with your compassion. Let small mercies open our hearts.**

When despair grows heavy, when our questions feel larger than our faith, remind us of John the Baptist - still able to seek you even from a prison cell.

**Remind us of Mary, singing her brave song into an uncertain world.**

May Your joy find us exactly as we are. **Amen.**

### Assurance of God's Unending Love

Friends, hear this good news: God meets us in the middle of the story.

We are held.

We are forgiven.

We are renewed. And joy is already rising.

**Thanks be to God.**
